# WELCOME MESSAGE

*Dear Colleagues and Friends,*

**We are honoured to welcome you to the 20th anniversary edition of FACE!**

This year we are back at the InterContinental London - The O2, the ideal venue to host our milestone event. Located on the vibrant Greenwich Peninsula and overlooking the River Thames and Canary Wharf, this luxury hotel and conference facility is perfect for entertaining guests and provides a seamless experience for delegates and exhibitors alike.

To celebrate its 20-year legacy as the UK's premier medical aesthetic event, the FACE Scientific Committee has put together **a top-tier programme that looks at how far the aesthetic & anti-ageing industry has come**, promising a dynamic educational experience.

Science is at the heart of everything we do and this year's event continues the tradition of delivering high-level scientific content. The 2023 agenda features **renowned KOLs in aesthetic medicine**, eager to share with you their knowledge, best practices, and top techniques.

You will also see a number of **new faces speaking this year**, as FACE is one of the few UK events to welcome international speakers, making it a truly global meeting point for prominent medical aesthetics professionals, industry leaders, and innovators.

**New in 2023:** most agendas will be running on both Friday and Saturday, allowing you greater flexibility with attendance and ensuring that you don't miss any sessions you want to attend. This year's agendas are: Injectables, Business, Skin, Equipment, Threads, Regenerative Medicine, Genital Rejuvenation, Hair, and Company Sponsored Workshops.

We continue to **support young doctors and local communities** by offering more affordable tickets - and this year is no exception! Our Visitor Pass is an excellent entry-level option for those just starting in aesthetics.

On Friday 30<sup>th</sup> June in Riverview Suites, we will host a **Summer Drinks Reception** to celebrate the end of the first day and for guests to network in a fun and relaxed environment. Join us and enjoy food, drinks, live music, and a great view of Canary Wharf from our 5-star venue.

WELCOME to the 20th FACE Conference & Exhibition in London!
